*Thank you for considering D'Marcos Italian Restaurant and Wine Bar for your special event. Whether you're planning a special Private Dining event, a Catered Meal, a Business Presentation, or Cocktail Reception, we happily strive to meet your needs and exceed your guests expectations.*

*This package has been assembled to show what we offer and how it can be packaged and served to provide you with perfect results. If you have any questions on portion sizes, ingredients, or special item requests, your Event Representative will be able to provide you with those details or answers when you talk.*

*Some items may require advanced notice to procure or prepare, so occasionally those items will not be available for "short notice" events. D'Marcos may also need to change our offerings, pricing, or policies based on availability or market conditions.*
