

D'Marcos Italian Restaurant and Wine Bar proudly supports a broad spectrum of community related causes, and continues to focus on these key initiatives:

- Children's welfare
- Homeless Relief and Care

There are certain criteria that must be achieved with every donation:

- You must be a 501.c.3 organization with proper documentation
- We will not donate cash. Gift certificates only.
- Preference is given to organizations doing events in house (or in the recent past)

In order to evaluate the requests that may fall within our guidelines, we have established criteria that will provide us with the pertinent information we need:

- A detailed description of the charitable organization and its cause
- Contact information: name, mailing address, telephone number, email address and website address
- Date donation is required by
- How does the request relate to one of D'Marcos key initiatives for charitable donations?
- Details on recognition that will be provided to D'Marcos
- List of other donors for your event
- How many guests will be attending your event

Please note that each year we receive hundreds of requests from worthy charitable causes throughout the Metro Detroit area, Michigan, and even from out of state. Since we are unable to honor every request that we receive, we have established guidelines to limit the type of activities that we consider for support. The following types of requests fall outside of our guidelines and will not be considered for support:

- Requests to support individuals
- Requests from political organizations
- Requests for multiple year commitments
- Requests from denomination-specific organizations
- Requests to support activities outside of our area of service – 10-mile radius
- Requests from third parties to raise funds for a charity

Please email the above information to lrochford@dmarcositalian.com We will notify if we can honor your request. Thank you.
